

Klarna for Regret: Buy Now, Suffer Later

Startup Pitch Submission - Remorse Financial AB

EXECUTIVE SUMMARY & PROBLEM STATEMENT:

- Problem: Impulsive 3 AM decisions, 95 SEK oat cortados in Södermalm, and joining doomed Web3 startups leave tech founders with crippling immediate shame.
- Solution: Swedish Open Banking protocol amortizing acute emotional regret into 4 interest-free, guilt-deferred installments over 60 days.
- Market Size: \$4.2 Trillion global emotional debt and impulsive lifestyle transactions.
- Business Model: Remorse-as-a-Service (RaaS) with 2.8% interchange + guilt rollover penalties.
- Traction: 12,000 Stockholm millennial beta testers amortizing their weekend Uber receipts.
